

Casing Nut | 2900340

Product Images

Description

Casing nut assembly for Wilton 1765 vise. The metal spindle nut with two pins is secured with the vise end piece, allowing the operator to have a firm grip on work projects. An adjustable wrench and pliers may be needed for the installation. Spindle nut and pins sold separately. This is an authentic replacement part made by the original manufacturer. For installation steps, related parts and precautions, refer to your owner's manual and model schematics.
