

60 Ton Shop Press

Product Images

Description

Powerful and flexible, the 60 Ton Shop Press can easily improve your productivity. With a large work table area, this Shop Press accepts both standard and custom tooling to press bearings, bend metal or straighten a part. The rolling cylinder, open-sided design, pressure gauge, and electric foot pedal make this machine simple to use. Must be run off an Edwards Ironworker with PowerLink™ System or Portable Power Unit. Also available with Programmable Logic Control (PLC).

Additional Information
